

Health-Related Information

The information contained in this catalogue is provided for informational purposes only and is not meant to substitute for the advice provided by your doctor or other health care practitioner.

You should not use this information (including, but not limited to, information that may be provided by healthcare and/or nutrition professionals employed by, or contracting with, Life Choice®) for diagnosing or treating a health problem or disease, or prescribing any medication. Information and statements regarding dietary supplements have not been evaluated by Health Canada or the Food and Drug Administration unless specifically stated.

Disclaimers

The dietary and other substances discussed in this catalogue or on our websites may not have undergone evaluation and/or testing by Health Canada and/or the United States Food and Drug Administration or like agencies of any other country. Risks that might be determined by such testing are unknown. Whereas these substances are dietary supplements, they are not intended to diagnose, treat, cure or prevent any disease. Since the information published on the Life Choice® website is accessible to anyone throughout the world, Life Choice® does not give legal advice that may apply to any particular consumer. Consumers are cautioned to check with local, regionalized legal counsel and/or health care professional(s) before purchasing products and/or services provided. The policy opinions expressed in this catalogue or on the website, and on a website to which it may link, are not necessarily the views of Life Choice® and are not adopted for commercial purposes.
